# **RULES**

---

- Present any innovative idea related to computer science, technology, or digital solutions that solves a real-world problem or improves user experience.
- Teams must consist of 2 to 4 members. Participation is limited to the first 10 registered teams.
- Each team will get 15 minutes to present (including intro and conclusion), followed by a 5-minute Q&A session.
- 5-minute session will follow each presentation for the audience and judges to interact with the team.
- Ideas will be evaluated based on:
  - a. Originality & clarity
  - b. Feasibility & relevance
  - c. Technical understanding
  - d. Presentation skills
  - e. Q&A effectiveness
- Enhance your presentation using slides, diagrams, demos, or models for better clarity and impact.
- Judges decisions are final and binding. Constructive feedback will be provided where applicable.
- In case of any unforeseen circumstances, the organizing committee's decision will be considered final.
